Your leading Exhibition Solutions & Trade
show partner in global

EUROPE | USA | UAE | SOUTHEAST ASIA

OUR STORY

WHERE BRANDS BECOME EXPERIENCES

Whimsical Exhibits is a leading global exhibition stand design company crafting extraordinary brand experiences. With more than ten years' experience and an established presence in Europe, the Middle East, USA, and APAC, we specialize in designing custom exhibition stands that inspire, interact, and engage.

Our experienced team breaks the norms of creativity and innovation, designing and delivering custom and modular stands that tell your brand story in a powerful way. We offer turnkey trade show solutions from concept to completion to make your brand a success at every level.

YOUR VISION, DELIVERED STEP-BY-STEP

OUR **CLIENT-CENTRIC** PROCESS

INITIAL CONSULTATION

We start by listening, imagining, and composing ideas that inspire creativity.

ILLUSTRATION

Our designers bring ideas to life with plans and imaginative designs.

INVENTION

We build each detail with accuracy, turning ideas into magical exhibition stands.

INSTALLATION

We will transform your space with precision, care and creativity.

ILLUMINATE

From setup to showtime, our crew is on-site to ensure everything is running smoothly.

INSIGHT

After the show, we review results, analyse visitor feedback, and identify improvements for future success.

WHY CHOOSE WHIMSICAL EXHIBITS?

EXHIBITS?
EXHIBITS?
EXHIBITS?

Global Reach, Local Expertise :

With operations across Europe, the Middle East, the USA, and APAC, we blend international standards with local insights to deliver world-class solutions.

Creative Brilliance :
Our award-winning designers craft bespoke stands that create a connection between your brand identity and audience.

From designing and fabricating to logistics and installation, we handle every detail so you can focus on your presentation.

Our Sustainability Commitment: We embrace eco-friendly materials and sustainable exhibition stand designs that ensure minimum environmental impact.

On-Time Delivery :
Our streamlined project management ensures your stand is ready on schedule and stress-free.

Client-Centric Approach: We believe in partnerships, not just projects-offering dedicated support and transparent communication at every step.

WHAT WE DO?

OUR EXPERTISE

AGITO
MEDICAL

ing a
Economy

Maximise value. Minimise effort.
We partner with vendors to responsibly repair your imaging equipment, managing the process end-to-end while extending asset value and supporting sustainability through circular reuse.

Built around you.
We take time to understand your needs and provide solutions that truly fit - delivering flexible, mobile, and modular imaging across MRI, CT, and Cath Lab.

Like new. Proven quality.
High-quality pre-owned systems, expertly refurbished and tested to perform as new, without compromise.

Fast response. When uptime matters.
Rapid access to critical spare parts, ensuring fast delivery and minimal downtime for imaging systems.

End-to-end support up to care.
Comprehensive imaging solutions, from advanced technology, operation, and maintenance to full lifecycle support.

Why choose Agito Medical?

Trusted by healthcare providers across all healthcare markets

Reliability

20+ years of experience, industry-leading expertise

Flexibility

Scalable solutions, tailored to your needs

Sustainability

Provenly sustainable solutions
